## AUTUMN NEWS & PRAYER LETTER 2019

### PROMISE & PROVISION

The new academic year has given us much to praise and thank the Lord for. God continues to provide, all we need, as He promised. We have well covered our expenditure during last year and God blessed us with a large gift.

We enjoyed a happy Annual Celebration, with prayer, information sharing, praise to God and, of course, cake(!) Twelve churches were represented and we were privileged to have two staff from our venue, The Archbishop's school, who welcomed us warmly.

We have short listed 3 excellent candidates, for our part time secondary post, to work alongside Louise, as she has reduced her hours with us. Please pray for Godly wisdom to select the one of God's choosing.

### IT'S THAT TIME OF YEAR

Again, this year, we are offering Gospel Christmas cards for purchase. 20% of their Christmas card sales and 5% of the sale of other items will be given to 33 Christian missions including CCSWT. Produced to a very high standard, the calendars, books, etc. make excellent gifts for children and adults; while the cards are perfect for sending to Christians and non-Christian family and friends. Catalogues are available from church representatives, Nadia Power ([power.nadia@gmail.com](mailto:power.nadia@gmail.com)) or from Gospel Cards, [www.GospelCardsEtc.com](http://www.GospelCardsEtc.com) - Tel. 01656 647551. Please be sure to mention CCSWT on your order form.

# PRIMARY SCHOOLS UPDATE

This term has begun at such a pace! I'm back fully immersed in schools work after a wonderful summer break that I was well enough to enjoy. Praise God.

I have begun four courses of 'Believe In Yourself'. I'm also mentoring six children who will all benefit from talking through their feelings.

As the season approaches I'm starting to think about our Christmas prayer days. Katy and I will be going in to Reculver and Stelling Minnis to deliver these.

I'd really appreciate prayer as I write the new confidence course for the younger children and how to incorporate the good news of Jesus within that. As always, I ask for you to pray for my health and pain levels, especially as we approach the winter months.

## *Love from Lisé*

I've been working with the Trust for 6 months and what an amazing time it's been. I'm in several schools providing collective worship (assemblies). We have also had opportunities open up to visit new schools. I've seen fun, laughter and big smiles on little faces as I share of God's love. I've also loved visiting local churches and have met some amazing people.

I'm excited to be heading towards Christmas with the amazing opportunity to speak about the gift that is Jesus, at this special time!

Moving forward this term, I'd really value prayer for my developing relationships with schools, and for energy to provide fun and engaging worship.

## *Love Katy*

# SECONDARY SCHOOLS UPDATE

Hello everyone and thank you for your ongoing prayers! As I sat down to write to you, I realised it's time you heard from the wonderful young people who are running Christian Unions in their schools. Could I encourage you to be setting time aside to pray for them, each week, as they look to honour Jesus in their school?

## LANGTON GIRLS CU PRAYER

We have been excited to see lots of new members this year and we'd love some prayer for them to settle in and for the CU to be a welcoming place for them and others looking to join.

As the year continues we are hoping our relationships within the group will grow and mature leading us into a really strong position for reaching out to others. We want it to be a place we can be open and vulnerable with each other and share the amazing experiences and struggles of the Christian walk.

Next term we are planning to run a youth alpha course - something we're really excited about! We would love you to pray for it to be really well received by the school and for lots of students to be prompted to come along. We are so hopeful to see many girls stirred by the things they hear; please join us in praying that God would work powerfully in each heart that hears the good news.

Also we would appreciate prayer for the practical side of it to go well (playing the videos etc...).

*Thank you, from the CU leaders*

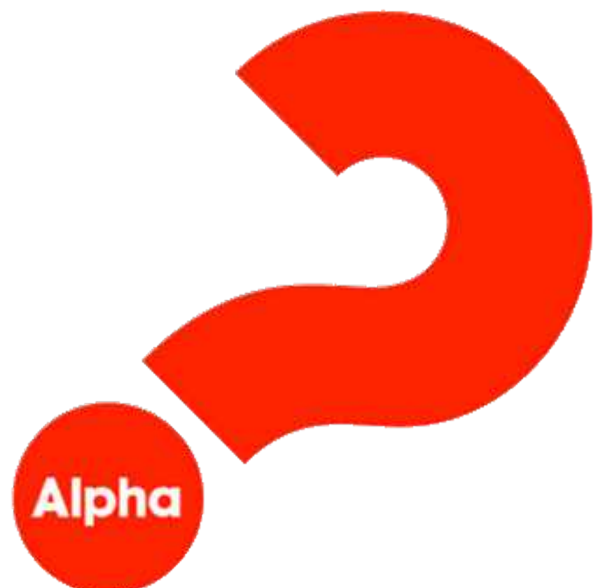

## ARCHBISHOP'S CU PRAYER

We would love prayer for The CU at The Archbishop's school to grow a bigger and closer community.

This year there are two of us leading.. Please keep us in your prayers as we plan the content we do in the CU sessions.

*Thank you, from the CU leaders*
